INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to the requirements of 37 C.F.R. §§1.56, 1.97, and 1.98, the Applicant hereby submits this Information Disclosure Statement (IDS), together with completed Form PTO/SB/08a and a copy of each non-U.S. Patent reference cited therein.

This application is the United States national phase of International Application PCT/NL2004/000739 filed October 19, 2004. The references identified in Form PTO/SB/08a were cited in an International Search Report (ISR) dated April 4, 2005 in the underlying PCT application. International Publication No. WO 03050896 is also cited in the specification at page 1. The June 25, 2007 Notice of Acceptance of Application under 35 U.S.C. §371 and 37 C.F.R. §1.495 indicates that a copy of the ISR has already been received by the United States Patent and Trademark Office and therefore is not included herewith. A copy of the International Preliminary Report on Patentability (IPRP) dated April 24, 2006, which does not cite any references, is included herewith.

I hereby certify that this correspondence is being electronically submitted to the United States Patent and Trademark Office on December 19, 2007.
